CUMULATIVE GIVING REPORT

NDSCS has a rich history full of wonderful success stories related to students, alumni, faculty, staff, retirees, friends and donors. We appreciate the generosity and dedication of our NDSCS Alumni Foundation donors. We are stronger together.

In this report, recognition is given to individuals, groups, foundations, organizations, and businesses. Thanks for continuing to be a part of the Tradition of Success!

"The best and most beautiful things in the world cannot be seen or even touched. They must be felt with the heart."

- Helen Keller

SkillsUSA Endowment

The NDSCS Alumni Foundation is proud to announce the new SkillsUSA Endowment. The need for this endowment became apparent with the understanding that NDSCS students had a desire to participate in the State SkillsUSA competition but were hesitant to do so because of the anticipated costs of attending the National SkillsUSA competition, which would be the responsibility of each student.

Each year, the endowment will distribute a percentage of the funds to be awarded to students who have earned a trip to the National SkillsUSA competition to help offset expenses. This fund will be held in perpetuity.

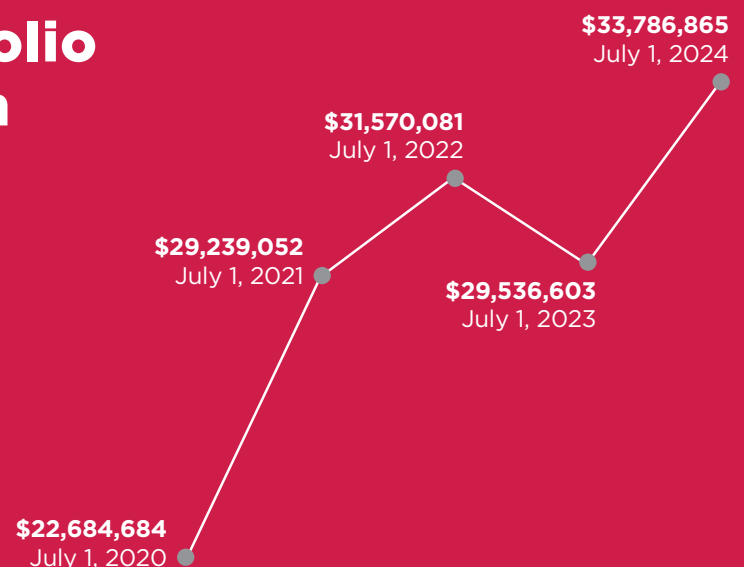

The SkillsUSA endowment is made possible with the support of donors, businesses, and the North Dakota Challenge Grant, which was established in the 2013-2015 Legislative Session with the purpose of matching private donations made to state college foundations by 50%.

Thank you to the supporters who are making this endowment a possibility.

NDSCS Investment Portfolio Shows Continued Growth

NDSCS continues to grow its investment portfolio for increased payouts to student scholarships and program enhancements.

\$1.4million in Scholarships Awarded

The NDSCS Alumni Foundation Board of Directors and Kim Nelson, Executive Director, proudly announce the awarding of scholarships for FY25 totaling over \$1.4M. The NDSCS Alumni Foundation board members are thrilled to be able to award this record amount to our students and programs for the upcoming 2024-2025 year.

The generosity of many alumni, ND Challenge Grant, the market, and our partnership with Bell Wealth Management have enabled us to give out this substantial amount. We are grateful for those before us and those after us that give because they are passionate about NDSCS. Your commitment and support have a positive impact.

The Foundation hosts two scholarship luncheons at year-end, offering an opportunity for students to meet their scholarship donors. Between 140 and 150 students and donors attend each luncheon. Through donor's generosity, many students are able to pursue higher education with less of a financial burden. Several students address donors at the luncheon, all relaying a message of deep gratitude for those that choose to give towards scholarships and endowments.

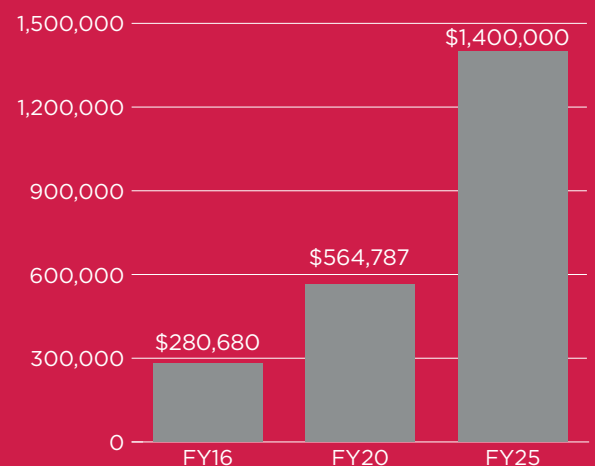

The Foundation is committed to the support of academic programs at NDSCS and student success. As a 501 (c) 3, founded in 1988, the mission of the Foundation is to "Support and assist those activities that develop and strengthen the North Dakota State College of Science."

If you would like to learn more about how you can support the students at North Dakota State College of Science, contact the Alumni Foundation office at 701.671.2247, email NDSCS.Alumni@ndscs.edu, or visit Kim, Yoney, or Denise at 800 6th St N, Wahpeton.

Many NDSCS Scholarship Fund donors remember when they received scholarships. It was an unforgettable experience and something they want to recreate for others. The NDSCS Foundation, through its business and industry partners, alumni, and friends, has approximately 220 named scholarships.

Scholarships & Department Awards

The NDSCS Foundation is proud of the number of academically and technically talented students who enter the College each year. We are proud that many of the students who apply receive some sort of scholarship annually.

Fiscal Year (FY) runs July 1-June 30

BLIKRE SOCIETY

Named to honor the past leadership of President Clair T. Blikre, the Blikre Society recognizes donors who have donated or pledged a gift of \$10,000 or more and/or have included NDSCS in a planned gift.

Dr. Blikre served the NDSCS College Community for 21 years. Decades after his tenure, the Alumni Foundation and donors created the Blikre Society in 1998, to continue his legacy. Blikre Society members are welcomed and recognized for their generosity.
